Save the Date

National Pregnancy & Infant Loss Awareness Day
Friday, October 15, 2010
Bryn Mawr Hospital, Pennypacker Auditorium
130 S. Bryn Mawr Ave., Bryn Mawr, PA
7 PM

Even when a child's life was brief, parents feel the normal, painful response of grieving. This is especially lonely when the baby was not yet known to family and friends.

Please join us as we remember babies who aren't with us because of a pregnancy loss or infant death.
