UNITE, Inc.
GRIEF SUPPORT AFTER MISCARRIAGE, STILLBIRTH AND INFANT DEATH

Dear Friends,

Since 1975, UNITE, Inc. has provided compassionate support to parents throughout Pennsylvania and New Jersey who have experienced the loss of a child through miscarriage, stillbirth, or infant death. The grief that follows such a loss can be overwhelming and isolating. Through UNITE's trained facilitators and extensive network of support groups, bereaved parents receive understanding, guidance, and connection during some of life's most difficult moments.

On **Saturday, October 17, 2026**, UNITE will be holding its ***15th Annual Walk to Remember*** at the Ridley Creek State Park, Pavilion #11A and #11B, in Media, PA at noon. This fundraising event is being held in memory of each child who has passed on due to miscarriage, stillbirth, or infant death. It is also UNITE's biggest fundraising event of the year. Proceeds will allow UNITE to continue to establish support groups for bereaved parents, train support group facilitators, and provide literature and information on bereavement, as well as educate medical staff and hospital personnel on the issues surrounding the loss of a child in the peri-natal period.

As a small nonprofit, we ask local businesses to please consider sponsoring or donating an item to the ***Walk to Remember*** so we can continue supporting grieving parents and families. Sponsorship details are included in this packet. For questions or additional giving opportunities, please contact your support group facilitator.

If you have questions or would like to discuss other giving options that meet your charitable giving needs, please contact your support group facilitator.

We thank you for your consideration.

Sincerely,

Andrea Devenney
Secretary, UNITE Board of Directors
